PASTORAL ACTIVITIES

Domund: this campaign is carried on in the whole world, and it is a catholic one. We ask for money to help different projects tha the Catholic church has around the world. The students are shown testimonies, videos, plays, games, etc to be concerned. Last year we got around 10.000€.

OPERACIÓN POTITO

Different member of the educative community go in different days to the open doors of supermarket and pharmacies, asking customers for food and first necessities stuff for babies, such as nappies, milk, shaked fruit, etc..

We got 12000€, so it was a succes.

MANOS UNIDAS

Another catholic campaing is Manos Unidas. We work in a very similar way than in the Domund campaing, collecting money everywhere we can.

Within this campaing we have a “solidary sandwich day”.
