The image shows the Hungarian flag, which consists of three horizontal stripes of red, white, and green. The flag is waving in the wind against a plain, light-colored background. The text is overlaid on the green stripe.

It all happened one day, in The Hungarian Kingdom, over the
hills and far away ... in the place called Budapest

We arrived to present our beautiful city Kraków.

The teachers gathered to work and socialise together.

The first task was really difficult - to paint the DUCK in national colours.

We succeeded and showed our Polish masterpiece.

We attended a perfect English lesson.

We worked hard but not everything went smoothly.

After a long day we relaxed dancing zumba or something else .

The presentation about Israel was just perfect.

Sopron was interesting but windy.

Everybody was interested in different things - no way to chat :(

Green Angel from Poland- I wish I could fly

Royal dinner in a canteen -yummy goulash.

A Mount of food - impossible to digest at once.

Looked like ancient tools- in fact delicious cakes - a must to try.

Mateusz's Hungarian family - spent fantastic time together.

Guess what? New York? Amsterdam?
